Dear Mr Hill

Re: Mrs Sheila Perkins 

I am contacting you on behalf of my above constituent regarding their objection to the planning application for Morden Assembly Hall on Tudor Drive.

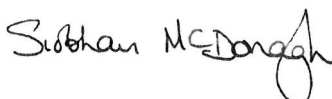

Mrs Perkins has informed me that she is a member of the neighbouring Church and she can see how much the facilities are used by the community. Mrs Perkins feels that if planning application is approved then the much used hall and the free car park will be taken away from the local community.

Mrs Perkins is particularly concerned that when the Church applied for a planning application to change their hall for a similar purpose this was refused.

Mrs Perkins has informed me that she strongly opposes these plans and would be very grateful if she could be kept informed of the decision.

Thank you in advance for your assistance

Yours sincerely
