Annex 3

Conditions attached after a hearing by the licensing authority

1. A noise limiter must be fitted to the musical amplification system set at a level determined by and to the satisfaction of an authorised officer of the Environmental Health Service, so as to ensure that no noise nuisance is caused to local residents or businesses. The operational panel of the noise limiter shall then be secured by key or password to the satisfaction of officers from the Environmental Health Service and access shall only be by persons authorised by the Premises Licence holder. The limiter shall not be altered without prior agreement with the Environmental Health Service. No alteration or modification to any existing sound system(s) should be effected without prior knowledge of an authorised Officer of the Environmental Health Service. No additional sound generating equipment shall be used on the premises without being routed through the sound limiter device.

2. All outside use of the site shall stop at 22:00

3. No drinks to be taken outside after 22:00 including by smokers.

4. The balcony area is to be cleared of members and guests by 21:00.

5. At all times when the premises is in use, the blinds on both floors are to be lowered after 21:00.

6. No more than six smokers are to be outside after 21:00.

7. Notices shall be prominently displayed at any area used for smoking requesting patrons to respect the needs of local residents and use the area quietly.

8. Direct phone numbers of the Club Secretary and Committee Members responsible for functions and the facilities to be provided to residents to be used in the case of any nuisance or disturbance from the premises.

9. A dispersal management plan shall be provided to and agreed with the Environmental Health Officer, including but not limited to car and pedestrian access and egress, light nuisance, noise nuisance for events in or outside the premises, safety measures, etc.

10. Doors and windows shall be closed after 21:00 except for access/egress when regulated entertainment events are taking place.

11. The premises shall install and maintain a comprehensive CCTV system as per the minimum requirements of the Licensing Team. All entry and exit points will be covered enabling front identification of every person entering in any light condition. The CCTV system shall continually record whilst the premises is open for licensable activities and during all times when customers remain on the premises. All recordings shall be stored for a minimum period of 31 days with date and time stamping. Viewing of recordings shall be made available immediately upon the request of Police or authorised officers throughout the entire 31 day period. A staff member from the premises who is conversant with the operation of the CCTV system shall be on the premises at all times when the premises is open. This staff member must be able to provide a Police or authorised Council Officer copies of recent CCTV images or data with the absolute minimum of delay when requested.

12. There shall be 2 committee members on duty on the premises at all times when the premises are authorised to provide regulated entertainment.
