SOUTH LONDON WASTE PLAN (A JOINT DEVELOPMENT PLAN DOCUMENT)
ADOPTION STATEMENT

Notice is hereby given, in accordance with Regulations 24 and 36 of the Town and Country Planning (Local Development) (England) (Amendment) Regulations 2008, that the South London Waste Plan was adopted by:

the Council of the London Borough of Croydon on 30 January 2012
the Council of the Royal Borough of Kingston upon Thames on 24 January 2012
the Council of the London Borough of Merton on 1 February 2012 and,
the Council of the London Borough of Sutton on 5 March 2012.

The South London Waste Plan DPD sets out the issues and objectives to be met in waste management for the next ten years. It is a joint DPD and covers the geographical area comprising the London Borough of Croydon, the Royal Borough of Kingston-upon-Thames, the London Borough of Merton and the London Borough of Sutton. It contains policies to guide the determination of planning applications for waste facilities and identifies existing waste sites to be safeguarded and areas where waste facility development may be suitable. The adopted South London Waste Plan comprises the submission DPD amended in accordance with the Inspector's binding report of the Examination-in-Public into the South London Waste Plan received by the boroughs on 26 October 2011.

Any person aggrieved by the South London Waste Plan may make an application to the High Court under Section 113 of the Planning and Compulsory Purchase Act 2004 on the grounds that the document is not within the appropriate powers or that a procedural requirement has not been complied with. Any application must be made no later than six weeks after the date of adoption by the Council of the London Borough of Sutton, i.e. by 17 April 2012.

The South London Waste Plan, together with its Sustainability Appraisal Report and a further copy of this Adoption Statement, are available for inspection on the websites of the boroughs:
