Decision

Agree to the undertaking of a statutory consultation so as to amend all existing TMOs to allow for the provision of teacher's and trade permits.

Reason for decision

To allow teachers of schools within a CPZ to purchase permits
To allow trade operating within CPZs to purchase permits.

Alternative options considered and why rejected

No permits to be issued to teachers and trade bodies. These bodies contribute to the local community and the Council must be mindful of their needs and the appropriate level of effort must be made to accommodate their parking needs to a degree.
