

Proposed Controlled Parking Zone (CPZ) RPC1 - Cottenham Park Road Area.

Councillor Andrew Judge  
Cabinet Member for Environmental Sustainability and Regeneration

ISSUE DATE : 14 MAY 2015

Dear Resident / Business

The purpose of this leaflet is to offer residents of Cottenham Drive, Cottenham Park Road, Cottenham Place, Cranford Close, Hampton Close, Heights Close, Hillview and Oakwood Road a further opportunity to comment on proposals to include these roads in the RPC CPZ that has recently been implemented. This is due to representations and petitions received from some residents of Cottenham Park Road and Oakwood Road during the implementation of RPC CPZ.

The Council is, therefore, consulting residents of your road on its intention to introduce Controlled Parking Zone (CPZ) into the following roads: Cottenham Drive, Cottenham Park Road, Cottenham Place, Cranford Close, Hampton Close, Heights Close, Hillview and Oakwood Road to operate Monday to Friday between 12 and 1pm. This is a different hour of operation to the RPC CPZ. Your zone if approve will be a stand alone zone:

- This would make enforcing the two new 1 hour zones more efficient.
- It would remove internal commutting within the large zone thereby reducing congestion in some of the roads close to the railway station.

WHAT HAPPENS NEXT

A Notice of the Council's intention to introduce the above measures will be published in a local newspaper (The Guardian), London Gazette and posted on lamp columns in the vicinity. Representations against the proposals described in this Notice must be made in writing to the **Head of Sustainable Communities, Merton Civic Centre, London Road, Morden, Surrey, SM4 5DX or email trafficandhighways@merton.gov.uk** by no later than **12 June 2015** quoting reference **P008 - 15**. Objections must relate only to the elements of the scheme that are subject to this statutory consultation.

The Council is required to give weight to the nature and content of your representations and not necessarily the quantity. Your reasons are, therefore, important to us.

All representations along with Officers' comments and recommendations will be presented in a report to the Cabinet Member for Environmental Sustainability and Regeneration. Please note that responses to any representations received will not be made until a final decision is made by the Cabinet Member. we will also welcome representations in support.

A copy of the proposed Traffic Management Orders (TMOs), a plan identifying the areas affected by the proposals and the Council's Statement of Reasons can be inspected at Merton Link, Merton Civic Centre, London Road, Morden, Surrey, SM4 5DX during the Council's normal office hours Monday to Friday, 9am to 5pm. A copy can also be inspected at Raynes Park Library. This information is also available on Merton Council's website [www.merton.gov.uk/cpzrpc1](http://www.merton.gov.uk/cpzrpc1). If you require further information, please contact Paul Atie directly on 020 8545 3214.
