

Proposed On-Street Parking Kingston Road, South Wimbledon

ISSUE DATE : 8 MAY 2014

Dear Resident/Business

The purpose of this leaflet is to advise you that, following representations made by some local businesses to the Council, it is proposed to amend the parking, waiting and loading provisions in Kingston Road to improve parking facilities on this road.

PROPOSALS

The proposed changes are shown on the drawing (Z78-223-01) overleaf and it is proposed to remove the existing peak hour parking restrictions on the Pay and Displays bays in Kingston Road between Merton Road and Montague Road to allow parking during Monday to Friday between 7am and 7pm with a maximum stay 2 hours with 20 minutes free.

This will be done on an experimental basis and will be monitored for its impact on the peak hour traffic flow for a period of up to 18 months. The purpose of an Experimental Order is to allow the Council to monitor and assess the effects of the scheme. The Experimental Order maybe reviewed after the initial six months. The Order would come into operation on 19 May 2014.

WHAT HAPPENS NEXT

A Notice of the Council's intention to introduce the above measures will be published in a local newspaper (The Guardian), London Gazette and posted on lamp columns in the vicinity. Representations against the proposals described in this Notice must be made in writing to the Head of Street Scene and Waste, Merton Civic Centre, London Road, Morden, Surrey, SM4 5DX or email trafficandhighways@merton.gov.uk by no later than 30 November 2014 quoting reference **E002**. Objections must relate only to the elements of the scheme that are subject to this statutory consultation.

All representations along with Officers' comments and recommendations will be presented in a report to the Cabinet Member for Environmental Sustainability and Regeneration. Please note that responses to any representations received will not be made until a final decision is made by the Cabinet Member. The Council is required to give weight to the nature and content of your representation and not necessarily the quantity. Your reasons are, therefore, important to us.

Copies of the proposed Traffic Management Order (TMO) and other documents giving more details of the proposals may be viewed at Merton Link, Merton Civic Centre, London Road, Morden, Surrey, SM4 5DX during the Council's normal office hours Monday to Friday, 9am to 5pm and Wimbledon Library. If you require further information, you may contact Paul Atie directly on 020 8545 3214 or email trafficandhighways@merton.gov.uk.
