Participation Promise to Merton's Children and Young People

**Who are we?**

• We are organisations providing services to children and young people in Merton. This includes schools, colleges, youth services, children's social care, health services, voluntary and community organisations, and the Police.
• We are part of Merton's Children Trust.

**We will help you to have a say in things that affect you.**
• We will help you to have a say in things that affect you.
• We will help you to have a say in things that affect other young people in Merton.
• We will make sure that there are places and times where you can tell us what you think.

**Making Choices and Decisions**

We will help you to get involved in making more of the decisions and things that matter to you.

**How we spend our money**

We will involve you more in making decisions about how we spend our money.

**How will you know if we are keeping this promise?**

We will ask you and we will challenge each other to improve the ways in which we help you to participate.

**Taking Responsibility**

• We want you to tell us what you think of services you use and to get involved in making Merton a better place for you to live.

**Being Listened To...**

• We have talked to groups of children and young people about how we can make this happen and are making this promise.
