Survey Work

10 Days Duration

Commencing 11th November 2019

WYG in partnership with the London Borough of Merton
Wimbledon Park Lake Project

- As part of the wider exploratory works on the lake and the surrounds, WYG will be undertaking survey works on behalf of London Borough of Merton
- Surveys will include ground investigations, which will include shallow excavations, inspections and boreholes along the footway and within the area surrounding the lake
- Some minor disruption along the footpath is anticipated for short periods of time
- We would advise you to use alternative routes within the park whilst this work is taking place
- For further information on the project:
