Subject: Master plan

Dear Sirs

I was shocked to read about the Master Plan for Wimbledon. I had not heard of it before. Why has a copy not been sent to all Council Tax Payers? It is outrageous.

I was worried about the amount of commercial property that is recommended. It has no place in a town that is lovely for its shopping, bars and restaurants. Where you can sit outside too. Also, more shops are not needed as people are shopping on line. In the future more shops will go under.

High rise buildings of over 7 floors would be a major carbuncle here.

Please send me by post or email,

A copy of the plan.
