## Part B Variation form

### Application for a variation of permit conditions

Local Authority Pollution Prevention and Control  
Pollution Prevention and Control Act, 1999  
Pollution Prevention and Control (England and Wales) Regulations 2000 (as amended)

#### Introduction

#### When to use this form

This regime is known as Local Authority Integrated Pollution Prevention and Control, LAPPC. Installations permitted under this regime are known as B installations. Use this form if you already have a permit and wish to vary the permit conditions or wish to make a change to your installation.

#### Before you start to fill in this form

Please read the Defra general guidance manual issued for LA-IPPC and LAPPC. This contains a list of other documents you may need to refer to when you are preparing your variation application, and explains some of the technical terms used. You will also need to read the relevant sector guidance note, BREF note or Process Guidance note as relevant. The Pollution Prevention and Control (England and Wales) Regulations 2000 can be obtained from The Stationary Office, or viewed on their website at: [www.legislation.hmso.gov.uk/si/si2000/20001973.htm](http://www.legislation.hmso.gov.uk/si/si2000/20001973.htm)

#### Which parts of the form to fill in

You should fill in as much of this form as possible. The appropriate fee must be enclosed with the variation application to enable it to be processed further. When complete return to:

Environmental Health, London Borough of Merton, 14<sup>th</sup> Floor, Civic Centre, London Road, Morden, Surrey, SM4 5DX

#### Other documents you may need to submit

*There are number of other documents you may need to send us with your variation application. Each time a request for a document is made in the form you will need to record a document reference number for the document or documents that you are submitting in the space provided on the form for this purpose. Please also mark the document(s) clearly with your permit reference number and the name of the installation.*

#### Using continuation sheets

In the case of the questions on the form itself, please use a continuation sheet if you need extra space; but please indicate clearly on the form that you have done so by stating a document reference number for that continuation sheet. Please also mark the continuation sheet itself clearly with the information referred to above.

#### Copies

Please send the original and 3 copies of the form and all other supporting material, to assist consultation.

#### If you need help and advice

We have made the form as straightforward as possible, but please get in touch with us at the local authority address given above if you need any advice on how to set out the information we need.

## **B1 About the Installation**

Please fill in the table below with details of all the current activities and proposed activities at the whole installation.

### **In Column 1a *Activities in the stationary technical unit***

Please identify all activities listed in Schedule 1 to the PPC Regulations that are carried out in the stationary technical unit of the installation.

### **In Column 1a(i) *Proposed new activities in the stationary technical unit***

Please identify all activities listed in Schedule 1 to the PPC Regulations that are proposed to be carried out in the stationary technical unit of the installation.

### **In Column 1b *Directly associated activities***

Please identify any directly associated activities that are carried out on the same site which:

- \* have a technical connection with the activities in the stationary technical unit
- \* could have an effect on pollution.

### **In Column 1b(i) *Directly associated activities***

Please identify any directly associated activities that are proposed, to be carried out on the same site which:

- \* have a technical connection with the activities in the stationary technical unit
- \* could have an effect on pollution

In **column 2 Schedule 1 references**, please quote the Chapter number, Section number, then paragraph and sub-paragraph number as shown in Part 1 of Schedule 1 to the PPC Regulations. For example, *Manufacturing glass where the use of lead or any lead compound is involved*, would be listed as Chapter 3, Section 3.3, Part B(b).

## **B2 The Installation**

*Please provide written information about the aspects of your installation listed below. We need this information to determine whether you will operate the installation in a way in which all the environmental requirements of the PPC Regulations are met.*

**B2.1** Describe the proposed change to the installation and activities and identify the foreseeable emissions to air from effecting this change (this will include any foreseeable emissions during start up, shut down and any breakdown/abnormal operation)

*The use of process flow diagrams may aid to simplify the operations*

Doc Reference: \_\_\_\_\_

**B2.2** Once all foreseeable changes in emissions as a result of the proposed change have been identified each emission should be characterised (including odour) and quantified.

- **atmospheric emissions** should be categorised under the following
- (i) point source, (e.g. chimney / vent, identified by a number and detailed on a plan)

(ii) fugitive source (e.g. from stockpiles / storage areas).

Doc Reference: \_\_\_\_\_

**B2.3** For each emission which will be affected by the proposed change describe the current and proposed technology and other techniques for preventing or, where that is not practicable reducing the emissions.

Doc Reference: \_\_\_\_\_

**B2.4** Describe the proposed measures for additional monitoring of all identified emissions as a result of the proposed change.

Doc Reference: \_\_\_\_\_

**B2.5** Describe the effect the proposed change will have on your environmental management techniques, in relation to the installation activities described.

Doc Reference: \_\_\_\_\_

**B2.6** Detail in the table provided below, or on an additional sheet if preferred, the exact conditions you wish to change in your current permit.

Permit condition reference	Proposed new wording of condition

**B2.7 Additional information**

Please supply any additional information which you would like us to take account of in considering this variation application.
