Dear Merton Council,

Please, please, please let us have a concert hall in Wimbledon as per the plans for the 'P3' Hartfield Road car park site.

This will be invaluable in making Wimbledon, with the Tennis and the Village, a stunning part of London, attracting millions of people who will spend money here and keep our restaurants and shops vibrant.

What more could any part of London need in these days of the internet?

With best wishes,

M [REDACTED] Burnard
