

LONDON BOROUGH OF MERTON
CHILDREN, SCHOOL'S and FAMILIES DEPARTMENT
JOB DESCRIPTION

Post Title: CSC & YI Team Manager – Contextual Engagement

Grade: MGB

Division/Section: Children's Social Care & Youth Inclusion

Location: Civic Centre

Responsible to: Head of Adolescent and Family Service

Responsible for: Expert / Lead Practitioners, Senior Social Workers, Co-ordinators, partnership and seconded staff members, Data Analyst(s).

Post number:

Date: October 2018

Overall Purpose of the Job

The Team Manager, under the direction of the Service Manager, is responsible for key service strands within Children's Social Care & Youth Inclusion. They will ensure their development and day-to-day operational delivery, working with colleagues and partner agencies to achieve the objectives of the service, to fulfil quality assurance standards and targets, and to monitor performance.

The holder of this post will manage and lead the Contextual Safeguarding project in Merton, which aims to increase the skills of social workers and partner staff to challenge and address extra-familial harm (physical, sexual and/or emotional abuse) caused to adolescents, often by their peers.

The post will include the supervision, support, training and co-ordination of local social work and co-located or seconded staff, from one or more of the following range of services:

- MASH
- Adolescents subject to Child Protection or Children In Need Plans
- Adolescents being looked after by the Local Authority
- Adolescents needing permanency and placements

- Adolescents with special needs
- Adolescents and the courts, including youth justice systems
- Adolescents at risk of sexual or criminal exploitation / gangs
- Detached Youth Work, Youth Service, Participation and Engagement
- Other partners (Safer Merton, Secondary Schools and Alternative Education)

The Team Manager will work with the Heads of Services across Children, Schools and Families to identify and recruit lead social workers and partner staff that will either be co-located or seconded members of a team, who will develop, pilot, deliver and evaluate a range of contextual safeguarding processes, including:

- I. Design and implementation of contextual assessments
- II. Contextual interventions within peers, schools and communities
- III. Contextualising referral processes, information sharing and digital systems

The Team Manager will be responsible for the strategic management of the project delivery, to fulfil quality assurance standards and targets, monitor performance against the implementation plan and report to the relevant governing bodies.

The delivery team will engage directly with adolescents at risk / posing a risk, with their families, peer groups and the providers and/or communities where harm occurs most frequently. The team will support staff across the department and within their 'home organisations' to adopt and implement contextual safeguarding practice.

The Team Manager will manage and lead the multidisciplinary team of social workers, youth or detached workers, community engagement and regeneration staff, and other interested leads across the borough. The Team Manager will be responsible for providing social work supervision and driving youth and community based delivery in relation to the project aims and direct casework.

Main Duties and Responsibilities

- Ensure vulnerable adolescents and their families and/or carers, receive a high quality and responsive service as set out by the London Borough of Merton's policies and procedures and enshrined in the Children Act 1989 and 2004 and other relevant legislation relating to Every Child Matters
- Day to day management of children's social care services and the ongoing provision of assessed support, ensuring that Duty procedures are implemented and are effective to safeguard the welfare and needs of vulnerable children and their families
- Ensure all referrals have a decision made within agreed timeframe of receipt, and the referrer receives written confirmation of decision, if appropriate
- Ensure that all assessments are completed within agreed timeframe
- Ensure that all vulnerable children, adolescents and their families receive responsive services to prevent children and young people being taken into care and support positive parenting, community engagement, peer group responses, preventing harm and promoting children and young people's life chances
- Deploy social work resources according to the appropriate assessment of risk within departments priorities and statutory requirements
- Lead, motivate, nurture and monitor direct reports and multi-agency professionals where appropriate, ensuring the services provided are effective and delivering positive outcomes

- Ensure robust recording of information on relevant systems, databases and IT systems and timely reporting of management information
- Effectively manage delegated budgets and ensure commissioned services are cost effective
- Continually develop operational services to ensure the delivery of significantly improved outcomes for children, young people and their families
- Work with children, parents and their representatives to ensure that issues arising from practice can be used to influence policy
- Proactively support the voice of young people in service delivery
- Provide regular consultation and supervision of staff in order to promote the interests of clients, high professional standards and encourage professional development
- Work collaboratively with key agencies and the community to ensure integrated approach to service delivery and the development of effective joint working partnerships
- Represent the team, Children's Social Care and/or department on relevant partner working groups, panels and conferences
- Chair formal strategy meetings and reviews and attend case conferences, where required
- Provide input into departmental planning processes including Merton's Plan for Children and Young People, the council's business planning processes and annual Local Safeguarding Children's board training programme
- Ensure services are responsive to and value diversity and are fair, consistent, inclusive and service user focused
- Ensure effective implementation of legislation and policy guidance
- Assist the service manager in planning and developing services for vulnerable children, adolescents and their families, identifying needs and potential difficulties
- Oversee plans and process that involve multiple children, particularly in regard to peer group interventions and peer-on-peer abuse
- Produce reports for internal and external bodies and attend meetings/forums as required (including cabinet/committees)
- All Social Work Staff are required to adhere to the various professional standards, including the Professional Capability Framework and the Health and Care Professions Council Standards.

The duties and responsibilities outlined in this job profile are indicative of the role, however they are not exhaustive and may be subject to change. In addition, you will be required to undertake other reasonable duties as directed by your manager.

Staff Management

- Promote a high standard of recording by workers and quality assure the standard of recording via the supervision process
- Ensure that the professional development needs of all staff are met by regular supervision (one-to-ones for non social work staff) and review, in accordance with the Council's policy; recorded on appropriate systems and a copy given to each member of staff
- Using evidence based practice, work with staff on the development and implementation of quality standards and procedures that will ensure continuous improvement in service delivery

- Ensure that all appraisals are completed to an appropriate standard and within the set timescale, that training needs assessment are carried out and that new staff have appropriate induction
- Support mentoring and coaching to enhance quality of practice
- Assist in the recruitment and selection of staff
- Ensure that staff are fully aware of the implications, requirements and guidance of the Children Act 1989 and 2004, court protocols and all other relevant legislation and guidance in relation to the appropriate delivery of services to vulnerable children, adolescents and their families
- Manage capability, disciplinary, complaints and grievance procedures as required
- Monitor leave, sickness and the use of agency staff in order to ensure these resources are used effectively
- Champion the equality and diversity agenda across the service and with multi-agency professionals
- Carry out all responsibilities and duties with due regard to the Council's Equal Opportunities Employment Policy
- Ensure staff are aware and adhere to the council's health and safety policy

Other duties

- Manage resources within available budget ensuring value for money is achieved and resources used in accordance with the departments strategy and within the council's financial regulations
- Pro-actively seek feedback from a range of sources to inform strategic decision-making
- Contribute to the external inspection and audit planning and preparation process
- Participation, where required, in management rotas across the community support service to ensure that there is management cover of staff and buildings at all times
- Ensure that personal and professional development opportunities are taken and achieved, where appropriate, in line with performance objectives, mandatory training, career pathways and individual opportunities identified with Manager
- Ensure that the service operates within the framework of the law, policy and agreed schemes of delegated powers and authority
- Keep abreast of new developments and research relevant to the service and ensure these are communicated to all staff
- Undertake any other reasonable duties in line with the responsibilities of the post
- Undertake duties outside normal working hours as required.
