Subject: Concert Hall on the P3 Hartfield Road Site

Hello,

I strongly support a Concert Hall on the P3 Hartfield Road Site. This vibrant town centre location has great access to the Station plenty of restaurants, and will invigorate the area. There would be excellent space for the existing Literary, Music and Art Festivals. Also a greater number of events such as folk music and popular music etc could be accommodated.

Please, please look favourably on this request and agree to it.

Thank you.

(PS I am getting tired of traipsing into Central London for events/shows/exhibitions with poor transport, unruly crowds etc)
