Notes:

1. The house is in the Mitcham Cricket Green Conservation Area: [http://www.merton.gov.uk/environment/designandconservation/conservationareas/conservation_areas_listed_from_e-m.htm](http://www.merton.gov.uk/environment/designandconservation/conservationareas/conservation_areas_listed_from_e-m.htm)
2. There is a masterplan and management plan for the house and its environs, upon which the current proposal are based: [http://www.canonspartnership.org.uk/documents/](http://www.canonspartnership.org.uk/documents/)
3. No listed buildings in the estate, but a church, two pubs (one not in use) and the Tube station are all either statutorily or locally listed.
4. The eastern part of the site is in an Archaeological Priority Zone and the remains of Merton Place.
5. The site is not in a flood plain but parts of it are modelled as having a high risk of surface water flooding.
6. The Council is currently preparing a Local Plan to guide regeneration of three estates in the borough, including High Path. This plan was reviewed by the DRP at its meeting on 25 May 2016. Notes of this review can be found on the DRP members webpage and details of the Local Plan and its progress to adoption can be found on the council website at [http://www.merton.gov.uk/environment/planning/planningpolicy/localplan/estatesplan.htm](http://www.merton.gov.uk/environment/planning/planningpolicy/localplan/estatesplan.htm)
