I attended your meeting last night. I wasn't impressed by your plan. The many high rise buildings resemble Croydon and I didn't like the way the height of these buildings was 'played down' by the presenter. You can't make a 18 storey high building look lower with a bit of fancy architecture!

This is a dull plan with no imagination and not fit for Wimbledon town centre . Wimbledon should remind us of green spaces and there was little of it in your plan. I think it was obvious from the crowd reaction that this wasn't popular.

Have your say – Stage 2 of Merton's new Local Plan – until 6th January 2019.

We are reviewing Merton's borough-wide Local Plan to help guide planning applications and shape development in Merton for the next 15 years.

Thanks to everybody who responded to Stage 1 between October 2017 and January 2018

We've used your responses, local research, the London Plan and national planning policy to create Stage 2, the draft Local Plan. It contains:

- New planning policies to help decide planning applications
- Potential sites for allocation for development
- Land designations (e.g. town centre boundaries, open spaces) on the Policies Map.

The plan is available on our website in chapters to make it easier to read and download.

Please let us know what you think by **Sunday 6th January 2019**.

If you have any questions or would like more time to assess the draft Local Plan, or would like us to come to a local meeting please contact us at future.merton@merton.gov.uk or 020 8545 3837.
