Subject: Master plan

Please, please consider that Wimbledon does not need skyscrapers and ridiculous master plan that puts us on a par with somewhere like Croydon!

Are there any people on the Council who listen to the needs and preferences of the residents. This us a largely residential area which you are trying to convert into something which is not needed here.

We already have the spectre if Crossrail 2 to be dealt with. We chose to live here, some of us for a very long time, because of the area and what it offers. If we had wanted tall, ugly buildings we would have gone somewhere else! How many if the councillors making these decisions for us actually live in the area or even the borough. Would be very interesting to see list of home addresses!

It would also be great to get a response to my email!
