Subject: Proposed Wimbledon Concert Hall

Dear Sir / Madam,

Having attended and very much enjoyed two fantastic concerts from this year's autumn Wimbledon International Music Festival I would very much like to add my voice to those who are petitioning for a new Frank Gehry deigned Concert Hall to be constructed in Wimbledon Town Centre.

I am the mother of 3 children aged 13, 11 and 9 years old and music is very much a part of our family's life with all three children playing instruments and singing - I too was fortunate to have had lots of music in my life when I was growing up, and I still sing in a group to this day. I think to be able to have a concert hall in the town centre for everyone to enjoy would be of great benefit to all.

Best wishes

K [REDACTED] Holder
