Dear Sir, madam

We are Wimbledon residents since 2007.

We have reviewed Crossrail project regarding Wimbledon and would like to voice our utmost concern. The plan aims to make Wimbledon a work destination but there is nothing to make it a nice place to live in.

The town centre at the moment is lovely, tall buildings would completely change the look and feel- for the worse. Also the plans for Centre Court would mean years of work and make the area around the station very unpleasant for residents.

We would urge you NOT to progress with the project and consider new alternatives.

Many thanks
