

I fully support the inclusion of Site Mo3 Imperial Field Sports Ground (Tooting & Mitcham Hub) for residential redevelopment within the new Local Plan because I believe...

- It will provide much needed affordable housing for local people in a deprived ward contributing to the delivery of broader regeneration objectives
- Monies raised will be re-invested into the existing public/private partnership helping to secure the long-term future Tooting and Mitcham Hub.
- It will bring forward the development of two further valuable community-based buildings (ie. new entrance block and a new changing block with educational suite).
- It will provide the financial stability required to deliver the Strategic Plan including the significant community benefits and facilitating social enterprise.
- The TM United Strategic Plan responds to both the local and national agenda for improving sport; health and wellbeing; education and enterprise.
- The proposed scheme has an attractive design that will improve the street and incorporates sustainable features.
