Subject: Comments on the Future Wimbledon Masterplan and Merton Local Plan

future.merton@merton.gov.uk

I have lived in Wimbledon in my present house for over 41 years and before that for seven years in Queens Road.

I can see that, with the height of the building proposed over the railway, my house will not only be overlooked but it will also cut off daylight that will not only affect our garden but also render our solar panels redundant. Will you be taking into consideration how this building will affect the residents in Alexandra Road and how do you propose to deal with the consequential planning blight?

This is only a small aspect of the scheme that seems totally inappropriate for our small town. Overall we will end up as another Croydon: a most unpleasant prospect for all of us who live and work in Wimbledon.
