Dear Business / Resident,

‘REDISCOVER MITCHAM’ TOWN CENTRE IMPROVEMENTS
UPPER GREEN WEST & EAST ROAD CLOSURE AND ALTERATIONS

Proposed Works
As part of the last stages of completion, the direction of traffic movement in the Fair Green perimeter road will be changed to tie in with the final town centre road layout. Entrance will only be permitted from Montrose Gardens, with a left-turn only exit into Upper Green West along Iceland.

F M Conway Ltd will carry out the works on behalf of the Council.

Date and Time of Works
The alterations to traffic signs and road markings will be carried out on 27 Nov 2017, from 9 pm to 4 am, weather permitting.

Traffic Management and Access Arrangements
During the working hours, no access will be permitted. In order that the works are carried out as quickly and as efficiently as possible, a road closure and parking restrictions, will be introduced with the appropriate signage. “No Parking” cones and signs may also be in place to indicate the areas where and when parking is prohibited.

It must be noted that whilst the restrictions are in place, illegally parked vehicles maybe be removed and subject to a penalty charge.
