Subject: Wimbledon Town Centre Plan

Dear Sir/ Madam, thank you for the opportunity to comment on the future plan.

My main concern is that the centre of Wimbledon should not be dominated by high rise units such as those in Croydon and Sutton where town centres and their approaches are completely depressing. The old pub opposite Centre Court should be kept as should the facades of the old firestation and old town hall. There should be more open space with trees and other planting.

I am also concerned regarding the lack of parking as existing car parks will be built on. Whilst Wimbledon has great transport links, cars will still be needed especially for families with young children, older people and those going on bigger shopping trips especially for supermarkets where it is not possible to carry all the bags by bus. Otherwise even more people will move to online shopping or units further out with parking.

Thankyou

C [REDACTED] Roe
