Dear Sir/Madam,

I attended the meeting arranged by FoWTC in November, having heard horror stories about a heavy build-up of Wimbledon town centre. I must admit that I don't feel these stories were exaggerated.

The existing traffic issues Wimbledon faces are serious enough. It seems to me that you have failed to take into account changing working patterns. I would ask you to reevaluate your plans and reconsider the cause of and solutions to the problems you're seeking to address.

Regards,
A [REDACTED] Simonian
