Dear Sirs and Ladies

I've reviewed this plan and believe it is too large in scale, especially in regards to permitted building heights. It is the duty of the Council to look to the future of the community but also, most importantly, to protect what is worthwhile and attractive about the existing community. I do not want to see Wimbledon trying to be a mini-Croydon.

Yours sincerely

Hello

I'd like to express my opposition to the scale of development proposed in this Plan, especially the allowed height of buildings. I live in [REDACTED] and do not want to see the character of Wimbledon centre ruined by making it into some sort of mini-Croydon.

Thank you

R [REDACTED] Wood
