Conditions consistent with the Operating Schedule

1. The licence holder will ensure that the premises benefit from a CCTV system that operates at all times when licensable activities are taking place.

2. The system will incorporate a camera covering each of the entrance doors and the main alcohol display area and will be capable of providing an image which is regarded as identification standard. The precise positions of the cameras may be agreed, subject to compliance with Data Protection legislation, with the police from time to time.

3. The system will incorporate a recording facility and any recording will be retained and stored in a suitable and secure manner for a minimum of 30 days and will be made available, subject to compliance with Data Protection legislation, to the police for inspection on request.

9. The premises licence holder will ensure that an age verification policy will apply to the premises whereby all cashiers will be trained to ask any customer attempting to purchase alcohol, who appears to be under the age of 25 years (or older if the licence holder so elects) to produce, before being sold alcohol, identification being a passport or photocard driving licence bearing a holographic mark or other form of identification that complies with any mandatory condition that may apply to this licence.
