

# Proposed Parking Management Deer Park Road, SW19

ISSUE DATE : 12 MAY 2016

Dear Business,

Due to a history of long-term parking in Deer Park Road, which included regular overnight parking and people setting up residence on the public highway, parking availability has been limited for use by local businesses and visitors to the business estate.

## PROPOSED MEASURES

The Council is carrying out a statutory consultation on its intention to introduce parking restrictions to address the overnight parking and double yellow lines on corners and across dropped kerb accesses to improve safety, visibility and provide clear access. To improve parking facilities for the local community free parking places, including a motorcycle parking bay, will be provided.

A section of pay and display parking, operating Monday - Friday 8.30am - 6.30pm, is included as part of the proposals to facilitate visitor parking and increase a regular turn over of available parking places, although no maximum stay period is proposed. The Council carries out careful consultation to ensure that all road users are given a fair opportunity to give their views and express their needs on parking proposals.

## OVERNIGHT PARKING BAN

A single yellow line waiting restriction will be marked through the free parking bays and through the pay and display bays and motorcycle parking bay that will operate Monday - Sunday 10pm - 5am. This will restrict vehicles from parking in this section of road between these times and stop overnight parking.

The proposed measures are shown on the plan overleaf.

## WHAT HAPPENS NEXT

A Notice of the Council's intentions to make the relevant Traffic Management Orders (TMOs) for the required changes will be published in the local newspaper (The Guardian), London Gazette and posted on lamp columns in the vicinity. Representations for and against the proposals must be made in writing to the **Head of Sustainable Communities, Merton Civic Centre, London Road, Morden, Surrey, SM4 5DX** or email [trafficandhighways@merton.gov.uk](mailto:trafficandhighways@merton.gov.uk) by no later than 3 June 2016 quoting reference: **ES/DEER\_PK\_RD**.

Objections must relate only to the elements of the scheme that are subject to this statutory consultation. The Council is required to give weight to the nature and content of your representations and not necessarily the quantity. Your reasons are therefore important to us.

Copies of the proposed Traffic Management Order (TMO), a plan identifying the area affected by the proposal and the Council's 'Statement of Reasons' can be inspected at Merton Link, Merton Civic Centre, London Road, Morden, Surrey, SM4 5DX during the Council's normal office hours Monday to Friday, 9am to 5pm.

All representations along with Officers' comments and recommendations will be presented in the report to the Cabinet Member for Environmental Sustainability and Regeneration. Please note that responses to any representations received will not be made until a final decision is made by the Cabinet Member. Once a decision is made by the Cabinet Member all who made a representation will be informed accordingly.
