ANY DRAWING ERRORS OR DIVERGENCES SHOULD BE BROUGHT TO THE ATTENTION OF STUDIO DEKKA LIMITED AT THE ADDRESS SHOWN.

PROJECT / DRAWING NO. Technical Design - First Issue

DATE 31/10/16

TO BE READ IN CONJUNCTION WITH:

DWG E(63) 804 to 815 - Proposed Lighting Layout - Areas 1 to 12

SCH E(63) 901 - Schedule of Luminaires

SPC E(63) 601 - Lighting Specification

Before commencing any works on site (including trial holes) the contractor should observe UKPN, Thames Water and Virgin Media drawings issued by London Borough of Merton on 18th and 19th of July 2016 for details and locations of all underground services.

All efforts have been taken to re-use as many existing columns as possible as well as locate luminaire positions away from underground services such as including extra high voltage and high voltage cables and waste water pipes. A list of positions of trial holes is noted in the lighting specification.

All efforts have been taken to locate luminaires away from trees and features of high and moderate ecological value.

PROJECT TITLE Wandle Trail - Amenity Lighting for Proposed Quietway

CLIENT Sustrans for the London Borough of Merton
