**Dear Resident / Business**

Following the Council's decision to introduce the RPW CPZ extension in Westcoombe Avenue and Coombe Lane (from its junction with Westcoombe Avenue to the borough boundary with RB Kingston) I am writing to inform you that the works will start on 17 February 2020, and will be carried out by F M Conway Ltd on behalf of the Council.

**DATE AND TIME OF WORKS**

The works including street cleansing are programmed to start the week commencing 17 February 2020 for a period of 3 days, weather permitting. Work will be carried out between 8am and 4.30pm. To allow the works to be carried out as quickly as possible, temporary parking restrictions will be introduced. "No Parking" cones and signs will be in place to indicate the areas where parking would be prohibited. By doing so, this will keep the roads free of parked vehicles allowing a smooth transition of the works. Vehicles would be allowed back into the road to park once the lining work is complete or after the working day. Offending vehicles run the risk of receiving a fine and possible relocation.

Notices and cones will be placed in your road 12 – 24hrs prior to work being undertaken.

**SCHEDULE OF WORKS:** The work schedule of when your road will be marked is shown below.

The information pack on how to apply for your permit will follow shortly. It is essential that you apply for all your permits within 2 months of the implementation of the CPZ. After this date you will need to pay the new permit charges.

The Council is conscious of the inconvenience and the disruption these works may cause and will endeavour to keep the impact to a minimum. We apologise in advance for any inconvenience.

**Proposed Controlled Parking Zone  
(CPZ) RPW extension - Westcoombe Avenue area.**

ISSUE DATE : 16 JANUARY 2020

**Dear Resident / Business**

This leaflet is to update you of the outcome of the statutory consultation that was carried out between 2 October and 1 November 2019 on the proposal to include Westcoombe Avenue and Coombe Lane (from its junction with Westcoombe Avenue to the borough boundary with RB Kingston) into the existing RPW CPZ, which is operational Monday to Friday between 11am and 3pm.

The statutory consultation resulted in 3 representations. All representations received during the statutory consultations along with officer's recommendations were reported to the Cabinet Member for Regeneration, Transport and Housing in December 2019. After careful consideration the following have been agreed:

- To proceed with the making of the relevant Traffic Management Orders (TMO) and the extension of the RPW CPZ to include Westcoombe Avenue and Coombe Lane (from its junction with Westcoombe Avenue to the borough boundary with RB Kingston) – operational Monday to Friday between 11am and 3pm
- To proceed with the making of the relevant Traffic Management Orders (TMOs) and the implementation of the 'At any time' waiting restrictions within the proposed zone

**What happens next**

The final made TMO, which allows the restrictions to be implemented and administered, will be published in the London Gazette and the local newspaper (Wimbledon Times) shortly. Notices will also be placed on lamp columns in the affected areas. It is anticipated that the CPZ will come into operation on **2 March 2020**. The report and the decision sheet can be viewed on the Council's website, [www.merton.gov.uk/cpzrpw](http://www.merton.gov.uk/cpzrpw)
