Tell us what you think of the council’s draft Estates Local Plan

1) Having read and considered the council’s draft Estates Local Plan and supporting documents please indicate your preference at this stage for regeneration.

Please tick one of the following options:

☐ Option 1: Demolish and redevelop the entire Estate

Redeveloping the whole estate would mean demolishing and replacing the existing buildings to provide well-designed energy efficient new homes and general improvement to the neighbourhood, including connections to the surrounding areas.

☐ Option 2: Partial redevelopment

Retain some buildings and redevelop the majority of the estate to provide a number of benefits, such as well-designed energy efficient new homes but with fewer benefits to the neighbourhood.

☐ Option 3: Invest in existing properties to bring them to minimum modern standards

Refurbish all Circle Housing Merton Priory and leasehold properties to ensure they meet current minimum housing standards and have reasonable kitchens, bathrooms, windows, wiring and insulation. All leaseholders would have to share the costs of this work. This would not include changes to the outside areas.

Per household or access to the estate

Dear Sirs/Madams,

1st March 1916

I strongly decided to go for

**OPTION 3 - LEAVE GOOD ALONE.**

The estate is not near perfect. Rod HERTON Council being more aware of the goings-on with all its tenants. Little doors over the years she total neglect to

an abuse of properties & outward surroundings.

Subletting abuse by sublets made our lives a living hell for 4 years on our floor. Culprit still lives here. Council know all about it. There are some

imperfections. Finally, initially there were the themes of C.H.M.P were going to right:
