

Eastfields Estate – online responses

Q1. Should all homes on the Eastfields Estate be redeveloped?

Option 1: Demolish and redevelop the entire Eastfields Estate.

Q2. What size of homes should be provided?

Option 1: you agree with a mix of different sizes of homes as set out above

Q3. What type of homes should be provided?

Other: it is overcrowded anyway, Mitcham is becoming a dumping ground and it is not good for the area

Q4. How should building heights be distributed across the estate?

Buildings should be broadly similar heights across the estate.

Q5. Are there any other issues or options we should consider regarding new homes?

option one would be my preference as tall buildings do not fit in with the local area, lower buildings with gardens would hopefully encourage more pride in the area

Q6. What type of outdoor spaces would you prefer to see within the estate?

2. Provide a single public open space for everyone to enjoy - This would be open to the general public. Communal gardens for groups of flats would remain, but may have to be significantly smaller to accommodate land for public open space

Q7. What types of play areas and open spaces would you prefer to see?

Sport pitches such as grassed areas suitable for kick-about and picnicking

Q8. What do you think is important in deciding the layout of buildings, spaces and streets on the estate?

Making easy connections within the estate and to the surrounding area

Q9. Are there any other issues or options we should consider regarding open spaces and streets?

No response

Q10. How should greater use of public transport be encouraged?

Provide better bus facilities, for example, increased bus stops and bus frequencies, improved bus stops travel information

Q11. Walking and cycling are healthy lifestyle choices. How can we support this?

Provide safe and convenient crossings of busy roads and junctions

Q12. How should parking be managed?

Introduce parking controls

Q13. Are there any other issues or options we should consider regarding transport?

controlled parking or red route by Acacia Road, Worcester Close and Grove Road as since the station it has caused major problems in parking on pavements and it is increasingly difficult to walk. The white lines and yellow lines are not monitored and there are often people parked - this is money the council is missing out on

Q14. Should new community facilities be provided within the estate?

No, the existing local community facilities on the estate and nearby are enough

Q15. How could refurbishment or regeneration support existing and new employment?

Provision of space for businesses on or near the estate

Q16. Are there any other issues or options we should consider regarding social and economic opportunities?

People dont use existing facilities and moan and the outdoor areas that were provided for a play area were destroyed by vandals who have no respect, so there is no point in spending thousands when people dont care about what they have
