

## **High Path Estate – online responses**

### **Q1. Should all homes on the High Path Estate be redeveloped?**

Option 1: Demolish and redevelop the entire High Path Estate.

### **Q2. What size of homes should be provided?**

Option 1: you agree with a mix of different sizes of homes as set out above

### **Q3. What type of homes should be provided?**

Option 2: A wide range of homes including a mix of houses, flats and maisonettes

### **Q4. How should building heights be distributed across the estate?**

Some taller buildings evenly spread across the estate in general, amongst mainly lower buildings

### **Q5. Are there any other issues or options we should consider regarding new homes?**

There is no provision for sheltered accommodation for older people and people with disabilities

### **Q6. What type of outdoor spaces would you prefer to see within the estate?**

Concentrate on providing communal space for flats - This would be secure communal gardens available for groups of flats and not open to the general public

### **Q7. What types of play areas and open spaces would you prefer to see?**

Multi-use games areas such as fenced, hard surfaced areas for 5 a-side football, netball, tennis or similar sports AND

Communal gardens such as areas with planting and seating suitable for picnicking and where ball games might be prohibited

### **Q8. What do you think is important in deciding the layout of buildings, spaces and streets on the estate?**

Making easy connections within the estate and to the surrounding area AND

Creating a mixture of types of buildings and spaces

### **Q9. Are there any other issues or options we should consider regarding open spaces and streets?**

Ensuring that a rat run isn't created between Merton High Street and High Path (the road) as currently exists down Pincott Road in the rush hour

### **Q10. How should greater use of public transport be encouraged?**

Provide better bus facilities, such as increased bus stops and bus frequencies, improved bus stops travel information AND

Provide better walking routes to rail, tube, tram stations, shopping areas, open spaces and community facilities, such as well lit, safe, convenient and well maintained footways

**Q11. Walking and cycling are healthy lifestyle choices. How can we support this?**

Provide secure and convenient cycle storage AND

Provide cycling training and support, to help people to switch to cycling

**Q12. How should parking be managed?**

Introduce parking controls - see below for more details

**Q13. Are there any other issues or options we should consider regarding transport?**

Stop commuters parking in and around the estate as this takes up parking space that is needed by residents

**Q14. Should new community facilities be provided within the estate?**

Yes, we need more community facilities such as

youth club, older peoples activities, doctors surgery,

**Q15. How could refurbishment or regeneration support existing and new employment?**

Employ local businesses and apprentices through the refurbishment or regeneration process

**Q16. Are there any other issues or options we should consider regarding social and economic opportunities?**

No response
