

## Estate: High Path

Dear Sir/Madam,

I wish to comment on question 6 of your questionnaire: I think there needs to be at least one communal garden or simply a lawn area for the general public to use, regardless of which of the options is chosen. Ideally, I would also want to keep the outdoor gym, which is currently on High Path, as I think this is an excellent idea. I work in the area but do not live in the estate, so I do not have any strong opinions on the other options, all of which seem reasonable. If further additional communal areas for individual blocks of flats are wanted by residents for the safety of their children etc., then I am happy with that.

Regards,
