WHAT HAPPENS NEXT

Statutory consultation is required prior to any decision to proceed to implementation. This is the legal part of the process and requires the introduction of Traffic Management Order (TMO), which will enable the Council to change and enforce traffic or parking regulations. The statutory notice will be published in the London Gazette and one local newspaper circulated in the area. In addition to this, the Council will post Notices in the affected streets and deliver

newsletters to local residents and traders.

The Notice informs residents and businesses in the affected area of the proposed measures and how members of the public can submit written representations regarding the proposals. Representations must be made in writing to: **Head of Street Scene and Waste, Merton Civic Centre, London Road, Morden, Surrey, SM4 5DX** by no later than **16 July 2010**, quoting reference **ES/SGE/5F_REVIEW**.

The Council will then be required to consider all representations prior to proceeding further.

A copy of the proposed TMO, a plan identifying the areas affected by the proposals and the Council's Statement of Reasons can be inspected at the Merton Link, Merton Civic Centre, London Road, Morden, Surrey, during the Council's normal office hours Monday to Friday, 9am to 5pm. Alternatively, this information can be viewed on our website using the following link www.merton.gov.uk/5f_review.

The result of this consultation along with officers' recommendations will be presented in a report to Street Management Advisory Committee and/or the Cabinet Member for Environmental Sustainability and Regeneration. Once a decision is made you will be informed accordingly.

Please note that responses to any representations received will not be made until a final decision is made. If you require further information, you may contact Warren French directly on 020 8545 3208 or email warren.french@merton.gov.uk.
