

Young Parents Drop In

A drop in play session for parents aged under 21 and their children under 5 years old who live in Merton.

Lots of opportunities for babies and children to play and meet other children and for parents and carers to meet new people and make friends.

Staff can provide information and advice and can show you practical ideas for how to support your child's learning and development at home.

They can also help you to access other relevant support services if needed.
