

From: Howell L.

Dear Sir/Madam,

I strongly support Merton Council's designation of the land at Rookwood Avenue KT3 4LY (W007) as Green Corridor and Open Space, as previously listed in the 2003 UDP.

I feel it is very important to the local community and to the diverse wildlife living on and utilising this land to keep this land as a Green Corridor. The surrounding area is very urban and this land provides a peaceful green area both for the wildlife and for the local community.
