

Dear Resident / Business

Following the Council's decision to introduce the waiting restrictions in Errol Gardens, Barnard Gardens and Belmont Avenue, I am writing to inform you that the works will start on 10 December 2018, and will be carried out by F M Conway Ltd on behalf of the Council.

DATE AND TIME OF WORKS

The works including street cleansing are programmed to start the week commencing 10 December 2018 for a period of 2 days, weather permitting. Work will be carried out between 8am and 4.30pm. To allow the works to be carried out as quickly as possible, temporary parking restrictions will be introduced. "No Parking" cones and signs will be in place to indicate the areas where parking would be prohibited. While work is being undertaken in Errol Gardens and Barnard Gardens, we request that you park your car in the existing permit parking bays in Cavendish Avenue and display the yellow card provided on the dashboard of your vehicle (if you have more than one car, please find alternative parking space for the second car. By doing so, this will keep the road free of parked vehicles allowing a smooth transition of the works. Vehicles would be allowed back into the road to park once the lining work is complete or after the working day. Offending vehicles run the risk of receiving a fine and possible relocation. Please note, residents of Belmont Avenue will not be permitted to park in Cavendish Avenue.

The Council is conscious of the inconvenience and the disruption that these works may cause and will endeavour to keep the impact to a minimum. We apologise in advance for any inconvenience that may be caused by these works.

Dear Resident,

This leaflet is to update you of the outcome of the statutory consultation that was carried out between 6 and 28 September 2018 on the proposals to introduce 'At any time waiting restriction in Errol Gardens, Barnard Gardens and Belmont Avenue.

The statutory consultation resulted in 20 representations received which include 12 representations against and 8 comments. All representations received during the statutory consultation along with officer's recommendations were reported to the Cabinet Member for Member for Regeneration, Housing and Transport in November 2018. After careful consideration the following has been agreed:

- To proceed with the making of the Traffic Management Orders (TMOs) to introduce "At any time" waiting restrictions (double yellow lines) in Barnard Gardens, Belmont Avenue and Errol Gardens as consulted.

The report and the decision sheet can be viewed on the Council's website, www.merton.gov.uk/wreb

What happens next

The final made TMO, which allows the restrictions to be implemented and administered, will be published in the London Gazette and the local newspaper shortly. Notices will also be placed on lamp columns in the affected areas. It is anticipated that the waiting restrictions will come into operation on 17 December 2018.

Please see overleaf for details of the schedule of works.
