#### Dear Resident / Business

Following the Council's decision to introduce the VSW1 CPZ in Wool Road area, I am writing to inform you that the works will start on 12 March 2018, and will be carried out by F M Conway Ltd on behalf of the Council.

#### DATE AND TIME OF WORKS

The works including street cleansing are programmed to start the week commencing 12 March 2018 for a period of 1 week, weather permitting. Work will be carried out between 8am and 4.30pm. To allow the works to be carried out as quickly as possible, temporary parking restrictions will be introduced. "No Parking" cones and signs will be in place to indicate the areas where parking would be prohibited. By doing so, this will keep the roads free of parked vehicles allowing a smooth transition of the works. Vehicles would be allowed back into the road to park once the lining work is complete or after the working day. Offending vehicles run the risk of receiving a fine and possible relocation.

Notices and cones will be placed in your road 12 – 24hrs prior to work being undertaken.

SCHEDULE OF WORKS: The work schedule of when your road will be marked is shown below.

- Wool Road and Ernle Road between **12 and 13 March**
- Dunstall Road and McKay Road **14 March**
- Woodhayes Road and Crooked Billet **15 March**
- Copse Hill **16 March**

The information pack on how to apply for your permit will follow shortly. For permit related issues please contact Parking Services on 020 8545 4661. The Council is conscious of the inconvenience and the disruption these works may cause and will endeavour to keep the impact to a minimum. We apologise in advance for any inconvenience.

#### FURTHER INFORMATION AND CONTACT DETAILS FOR THE WORKS:

## Proposed Controlled Parking Zone (CPZ) VSW1 - Wool Road area.

ISSUE DATE : 20 FEBRUARY 2018

#### Dear Resident / Business

This leaflet is to update you of the outcome of the statutory consultation that was carried out between 4 December 2017 and 5 January 2018 on the proposals to introduce VSW1 Controlled Parking Zone (CPZ) in Wool Road, McKay Road, Dunstall Road, Ernle Road, Peregrine Way, Strachan Place, Woodhayes Road, Crooked Billet, Copse Hill (between Nos 1 and 42) and West Side Common (Nos, 1 & 2 only).

The statutory consultation resulted in 95 representations received which include 52 representations in support 6 of which requested shorter hours; 11 comments and 32 objections. All representations received during the statutory consultation along with officer's recommendations were reported to the Cabinet Member for Regeneration, Environment and Housing in February 2018. After careful consideration the following have been agreed:

- To proceed with the making of the relevant Traffic Management Orders (TMO) and the implementation of the proposed VSW1 CPZ to include Wool Road, McKay Road, Dunstall Road, Ernle Road, Peregrine Way, Strachan Place, Woodhayes Road, Crooked Billet, Copse Hill (between Nos 1 and 42) and West Side Common (Nos, 1 & 2 only), operational Monday to Friday, between 11am and 3pm.
- To proceed with the making of the relevant Traffic Management Orders (TMO) to electric charging points bays in Ernle Road.
- To proceed with the making of the relevant Traffic Management Orders (TMOs) to implement the proposed 'At any time' waiting restrictions (as consulted) in the Wool Road

area.

#### What happens next

The final made TMO, which allows the restrictions to be implemented and administered, will be published in the London Gazette and the local newspaper shortly. Notices will also be placed on lamp columns in the affected areas. It is anticipated that the CPZ will come into operation on **16 April 2018**. The report and the decision sheet can be viewed on the Council's website, [www.merton.gov.uk/cpzvsw1](http://www.merton.gov.uk/cpzvsw1)

#### Please see overleaf for details of the schedule of works
