

Future Merton,
London Borough of Merton
12th Floor Civic Centre
London Road
Morden. SM4 5DX.

Dear Sir,

Rookwood Open Space. Site Ref W007

I write with regard to the above which is included in the Sites and Policies Development Plan currently under consideration. This land has always been open space & for many years was a playing field for the local junior school. Since that time, possibly 1970's/80, it has become a natural habitat for both flora and fauna and is a welcome relief from the hustle & bustle of local traffic.

I understand that the new owner proposes to use this land as parking for a car dealership in Burlington Road (out of the London Borough of Merton) which would seem to be quite inappropriate.

I therefore request that the Rookwood Open Space remains a "Green Corridor and Open Space" when you make your decisions under the Sites and Policies Plan.

Yours faithfully.
