

Post Scheme Review Road Improvements Shelton Road Area

Councillor Andrew Judge

Cabinet Member for
Environmental Sustainability
and Regeneration

T: 020 8545 3425
E: andrew.judge@merton.gov.uk

ISSUE DATE : 27 NOVEMBER 2014

Dear Resident

Following the completion of highway improvements in your area, the Council is now carrying out a post scheme review and is interested in your feedback.

The overall objectives of the scheme were to improve the quality of life for local residents by reducing motor vehicle dominance, provide a safer, more vibrant environment for all road users and increase driver awareness that they are entering a residential area and the need to alter driver behaviour.

LET US KNOW YOUR VIEWS

To evaluate the success of the scheme the Council invites you to provide feedback on the improvements that were recently implemented in your area.

By providing feedback you help the Council to improve existing and future projects of this nature, and to help evaluate our design standards, we therefore encourage you to detail your experience living on the affected area.

We ask that you respond to this newsletter by completing the on-line questionnaire using the link provided at www.merton.gov.uk/homezonelite_swimbleton by 19 December 2014. The on-line system has been created to keep costs down and allow the Council to process your views more efficiently and quickly. **However, if you do not have internet access, please contact us on 020 8545 3224 and we will send you a copy of the questionnaire.**

WHAT HAPPENS NEXT

We will collate all the feedback received and consider the type of measures and the products we use on this type of project, with the possibility of making further improvements.

If you require any further information, please contact Matthew Wroe on 020 8545 3224 or email trafficandhighways@merton.gov.uk.

Alternatively this information can be viewed on our website www.merton.gov.uk/homezonelite_swimbleton.
