

**From: Sheehan S *Wimbledon Parliamentary Candidate, Liberal Democrats***

I would ask for all reference to Wimbledon Library/Marlborough Hall site to be removed.

My justification being that the present wording is far too broad and open-ended and the word "appropriate" is imprecise. As a result policies DM R6 and DM C1 for the retention of, respectively, culture arts and tourism facilities and community facilities are undermined.

Kind regards

*Shas Sheehan*
