Dear Resident / Business

### **Proposed Road Safety Improvement, Southey Road between Kingston Road and Pelham Road**

Further to our recent statutory consultation between 25<sup>th</sup> April and 20<sup>th</sup> May 2016 on proposed safety measures, I am writing to inform you that all representations along with officers' comments were reported to the Cabinet Member for Regeneration Environment and Housing who after careful consideration has made the decision to proceed with the implementation of the proposed works. The report and Cabinet Member decision can be viewed on Council's website [www.merton.gov.uk/Southey\\_Road-School\\_Safety](http://www.merton.gov.uk/Southey_Road-School_Safety).

#### **Proposed Works**

The works include:

- Footway extension with a prominent coloured speed table outside the school
- The removal of the two existing sets of speed cushions
- Relocation of six parking bays
- Junction entry treatment at Kingston Road
- Double yellow lines at some cross-overs
- School 'KEEP CLEAR' zig-zag markings
- New trees
- School flashing signs

#### **Date and Time of Works**

Construction works 'weather permitting' are programmed to commence from Monday 25<sup>th</sup> July and anticipated to finish on Wednesday 31<sup>st</sup> August 2016.

#### **Traffic Management and Access Arrangements**

To enable construction, temporary traffic management will be put in place. This will include a temporary road closure between Kingston Road and Pelham Road with the appropriate diversion route and parking suspension. Notices will be displayed on nearby lamp columns.

Every effort will be made to accommodate residents to gain vehicular access to their properties but during the construction of the speed table, this may not always be possible. Those residents whose crossovers are adjacent to the speed table will be permitted to park on the other roads within zone 4F whilst displaying a dispensation card provided by the Council. This dispensation can only be used if and when residents cannot gain access to their off street parking because of the works. Only those residents who reside in Bickley Court, Bridge Court, Nos 22 and 24 Southey Road who do not have Resident Permits may apply. This cannot be used by visitors.

If you do not have a Resident Permit you would need to contact the Council by phone 0208 545 3224 or [arfan.haider@merton.gov.uk](mailto:arfan.haider@merton.gov.uk) as soon as possible and no later than

29<sup>th</sup> July 2016. It is important to note that only residents with registered vehicles are eligible.

We apologise in advance for any inconvenience the work may cause.

FM Conway will erect information boards on site, and their staff will be able to update you on the progress as the works proceed. Please do not hesitate to ask the staff on site should you require any assistance regarding access. Merton Council and F M Conway Ltd apologise in advance for any inconvenience caused by these works.

**Further Information and Contact Details**

The people looking after these works are:

**F.M. Conway Ltd and Merton Council undertake to carry out this work:**

**With care**

The work will be carried out safely and to a high standard

**In a clean manner**

Roads and footpaths affected by the works will be kept tidy

**With consideration for the local community**

Noisy and disruptive work will be kept to a minimum
