Title of report: Statutory Consultation - speed humps- St James Road and Framfield Road

Reason for exemption (if any) – N/A

Decision maker

Councillor Stephen Alambritis MBE, Cabinet Member for Transport

Date of Decision

16th October 2023

Date report made available to decision maker

13th October 2023

Decision

Having considered the speed survey results and representations received during the statutory consultation, I approve officer's recommendation to proceed with the implementation of road humps along St James Road and Framfield Road

Reason for decision

The data shows excessive speed which needs to be addressed. The proposed measures will effectively reduce speed and therefore facilitate the current 20mph speed restrictions and reduce the risk of collisions and harm.

Alternative options considered and why rejected

To abandon the proposal. This option would not address the speeding problem and the safety concerns experienced by some residents .I have also considered other options as set out in the report and agree that the proposed road humps are less intrusive and effective at reducing speed of traffic.

Documents relied on in addition to officer report
