**Date report made available to decision maker**

14<sup>TH</sup> April 2023

**Decision**

I approve the undertaking of a statutory consultation to remove 2 parking bays and to install a parklet as set out on the plan / in officer's report

**Reason for decision**

I have reviewed the responses to previous Experimental Order and officer's recommendations. I agree with the recommendations in this report. The statutory consultation will allow consultees a further opportunity to consider the benefits of the parklet and air their views.

**Alternative options considered and why rejected**

Not to consider the Parklet. This however would be contrary to the support received thus far and will do nothing to benefit the local business.
