Decision maker

Councillor Stephen Alambritis, Cabinet Member for Transport

Date of Decision

Date report made available to decision maker

17th April 2023

Decision

To make the Traffic Management Orders to retain the parklets as set out within the report

Reason for decision

I have reviewed the consultation responses in conjunction with the officer's recommendations. I agree with the recommendations in this report in making the TMOs to retain the recommended parklets and the removal of the 2 identified parklets as set out in the report

Alternative options considered and why rejected

To remove all the parklets; this, however, will be contrary to the support received by the local businesses and will do nothing to assist the businesses and their patrons who have been enjoying the benefits of the parklets.
