

Note:  
This drawing shows the land associated with earlier phases edged in green.  
Phase 1 has been completed and its footprint is shown. Other earlier phases will be delivered under the extent outline permission, and the approved parameters are shown.

Designed with reference to the current surveys, information and reports listed:  
Ordnance Survey Map, Topographical Survey, Utilities, Radar Scan, Tree Survey, Design Code and Design & Access Statement.

- Key**
- Application boundary
  - Wider Masterplan
  - Indicative block layout
  - Phase 2B
  - Phase 3A
  - Phase 3B
  - Phase 3C
  - Phase 4
  - Phase 5B
  - Phase 6B
  - Phase 7B

This drawing provides 'indicative' time frames for when a phase of development will be carried out. Time frames are subject to change.
