Date: 25 March 2021

Dear Resident / Business

Following the Council's decision to extend the CH CPZ to include part of Hillcross Avenue, please be advised that the works will start on 13 April 2021, and will be carried out by F M Conway Ltd on behalf of the Council.

DATE AND TIME OF WORKS

The works including street cleansing are programmed to start the week commencing 13 April 2021, for a period of 2 days, weather permitting. Work will be carried out between 8am and 4.30pm. To allow the works to be carried out as quickly as possible, temporary parking restrictions will be introduced. "No Parking" cones and signs will be in place to indicate the areas where parking would be prohibited.

While work is being undertaken in your street, we request that you park your car in the existing permit parking bays in Maycross Avenue, Arundel Avenue and Leamington Avenue and display the yellow card provided on the dashboard of your vehicle (if you have more than two cars, please find alternative parking space for the third car. By doing so, this will keep the road free of parked vehicles allowing a smooth transition of the works. Vehicles would be allowed back into the road to park once the lining work is complete or after the working day. Offending vehicles run the risk of receiving a fine and possible relocation. Residents will not be allowed to park on the completed bays when the work is in progress during the day.

The information pack on how to apply for your permit will follow shortly.

We are conscious of the inconvenience and the disruption that these works may cause and will endeavour to keep the impact to a minimum. We apologise in advance for any inconvenience that may be caused by these works.

FURTHER INFORMATION AND CONTACT DETAILS FOR THE WORKS:

FM Conway Ltd – Gus Smith (Signing Contractor): 07748632920.

FM Conway Ltd – Thomas Bryce (Lining Contractor): 07880109730.

Proposed Controlled Parking Zone (CPZ) CH Extension - Hillcross Avenue

ISSUE DATE : 25 MARCH 2021

Dear Resident / Business

This leaflet is to update you of the outcome of the statutory consultation carried out between 19th November and 18 December 2020 on the proposals to extend the existing Controlled Parking Zone (CPZ) 'CH' (in Cannon Hill Ward) to include Hillcross Avenue between Nos 1 and 113 Hillcross Avenue and between Maycross Avenue and property No 90 Hillcross Avenue.

The statutory consultation resulted in 20 representations, 8 representations in support; 1 comment and 11 against the proposed extension to the CPZ. Of those who objected, there are 5 from within the proposed extension and 6 from outside the zone. All representations received during the statutory consultation along with officer's recommendations were reported to the Cabinet Member for Regeneration, Housing and Climate Emergency in February 2021.

After careful consideration, it has been agreed to proceed with the making of the relevant Traffic Management Orders (TMO) and the implementation of the proposed extension of CH CPZ to include Hillcross Avenue between Nos 1 and 113 Hillcross Avenue and between Maycross Avenue and property No 90 Hillcross Avenue; operational Monday to Friday between 11am and 3pm.

What happens next

The final made TMO, which allows the restrictions to be implemented and administered, will be published in the London Gazette and the local newspaper shortly. Notices will also be placed on lamp columns in the affected areas. It is anticipated that the CPZ will come into operation on **26 April 2021**.

The report and the decision sheet can be viewed on the Council's website, www.merton.gov.uk/cpzch
