Reason for exemption (if any) – N/A

Decision maker

Councillor Stephen Alambritis, Cabinet Member for Transport

Date of Decision

Date report made available to decision maker

Decision

I approve the undertaking of an Experimental Traffic Order to remove 2 CPZ parking bays and to install parklets as set out on the plan / in officer's report

Reason for decision

This will provide a much needed outdoor seating that will benefit the local business and its patrons. The experimental Order will allow consultees to experience and consider the benefits of the parklet prior to making an informed representation.

Alternative options considered and why rejected

Not to consider the Parklet. This however would be contrary to the support received thus far and will do nothing to benefit the local business.
