

SCHOOL STREET WIMBLEDON PARK PRIMARY SCHOOL

Lucien Road – Permanent Order

November 2023

Cllr Stephen Alambritis MBE
Cabinet Member for Transport

This newsletter is to inform you that following the inclusion of Lucien Road (between Gordondale Road and the cul-de-sac) within the Wimbledon Park School Street in February 2023 under an Experimental Order, a decision has been made to make the Traffic Management Order permanent and retain the school street restrictions.

The statutory consultation that was live between 20th February and 20th August 2023 resulted in several representations which were reported to the Cabinet member for Transport for consideration and a final decision. This report and decision can be viewed on the Council’s website [Introducing new school streets : 2023 | Merton Council](#)

The Experimental Traffic Management Order was made permanent on 6th November 2023 and will come into effect on 20th November 2023.

We would like to take this opportunity to thank you for your cooperation and participation.
