

SCHOOL STREET SINGLEGATE PRIMARY

Change of restriction period August/September 2022 update

The purpose of this newsletter is to inform you that following the completion of the statutory consultation carried out between 21st July and 12th August 2022 to change the hours of operation for the school street, a decision has been made to change the existing hours to:

8.00 - 9.15 am & 2.30 – 3.45 pm
Monday – Friday term times only.

The Council will be amending the existing Traffic Management Order to reflect this change. The new restrictions will come into effect at the start of the school's new term in September 2022.

The hours on all the signs will be changed prior to 5th September 2022. Initially this will be done by stickers but there will be new signs in due course.

All available information including the latest Cabinet Member report, decision and updates are available on the Council's website www.merton.gov.uk/schoolstreets

Residents within the restricted road can gain vehicular access subject to registering for an exemption. If you have not already, please ensure that you register for your exemption and familiarise yourself with the exemption restrictions / criteria.

<https://www.myringgo.co.uk/merton/permitapplications/info/100146/MSR>

Please make sure that your registration is renewed annually and remains up to date.

Please note that the contravention is against entering during these times, but drivers can leave at any time.

We would like to take this opportunity to thank you for your cooperation.
