

Spencer Road / Richmond Road, Raynes Park Junction Improvements

Implementation letter
March 2024

Cllr Stephen Alambritis MBE
Cabinet Member for Transport

Proposed junction improvement

As part of our pedestrian safety and accessibility improvements programme, the Council will be carrying out works in Spencer Rd at its junction with Richmond Rd.

The measures will include improved pedestrian accessibility and safety by building out both corners of Spencer Rd to narrow this extremely wide junction. In line with comments from residents and Ward Councillors, the previously proposed pedestrian refuge island will not be installed and the Permit Holder bay outside No. 51 Spencer Rd, will not be removed. For the revised layout, which does not require a consultation.

Please see plan overleaf or alternatively view online at: <https://www.merton.gov.uk/spencer-richmond>

Date and Time of Works

The works will be carried out between **18 March – 5 April 2024** (excluding the Easter weekend), weather permitting, and every effort will be made to reduce this time where possible. Notice boards will be placed at this location in advance of the works, advising all road users of these specific dates. The majority of the construction work will take place between the hours of **8am and 5pm, Monday to Friday**. FM Conway Ltd will carry out the works on behalf of the Council.

Traffic Management and Access Arrangements

A temporary traffic lights will be in place for parts of the work. Access to properties will be maintained. Parking restrictions / suspensions will be introduced where necessary to facilitate equipment and materials storage. "No Parking" cones and signs will be in place to indicate the areas where and when parking is prohibited. It should be noted, that whilst the restrictions are in place, illegally parked vehicles will be removed.

Further Information and Contact Details

Personnel looking after these works are:

James Geeson Merton Council Engineer: 020 8545 3054
Jason Stevens FM Conway Ltd: 07921918095 / 020 8636 8822
